It's Economizer Season!

Take advantage of our
BELIMO BLOWOUT SALE!

Belimo ZIP ECONOMIZER
PN: ECONZIPBASE
only \$150.15
until 07/31/17

Hundreds of local buildings have non-functioning Economizers that have been bypassed or removed. Belimo's ZIP ECONOMIZER; a revolutionary controller that is truly easy to set up and commission. It is unlike any other economizer on the market today - it gets energy savings back on track with its advanced logic, easy use interface, and superior troubleshooting capability. Users will know instantly when failures occur and quickly pinpoint the problem and address it.

Don't miss out on this great pricing!
